

Vision Statement

At Hawkedon, we provide a happy and industrious foundation for all children and adults with a strong sense of successful community achievement.

Hawkedon is an effective and caring school in which mutual respect for everyone and everything and a sense of equal responsibility and opportunity is shared.

We will foster attitudes which build self confidence in pupils, creating in them a sense of personal excellence and helping them to acquire knowledge and skills relevant to life and work in a rapidly changing world.

At Hawkedon, Every Child really does Matter.

In everything we do at Hawkedon Primary School, we aim to meet the standards set by the Every Child Matters agenda. This is fundamental to our school ethos and vision for all our children's futures.

In all areas of the curriculum and in our teaching and learning, we take great care to ensure that we encourage the children to:

- Be healthy
- Stay safe
- Enjoy and achieve
- Make a positive contribution
- Achieve economic well being

Our school mottoes echo our ethos in a clear and succinct way:

"Together we can" and "What have you done today to make you feel proud?"
