

South Lake Primary School

Parent Teacher Friends Association

Dear Parents/Guardians,

This year our 100 CLUB is in it's seventh year! For those parents new to the school, it works by members paying £12 a year (equivalent to £1 a month) for a number which is placed into our monthly draw. If your number is drawn, you win an amount of money in proportion to the money received for that month.

If all 100 numbers are sold for that year, £100 will be available each month, half of which will go to the PTA and the other half divided between 3 prizes (£25, £15, £10) If more than 100 numbers are sold the prize money increases! likewise if not all 100 numbers are sold the prize fund will be reduced.

This is a great way to help raise money for the PTFA, and we would love to give lots more people the chance to win!! Draws take place on the last day of the month, we inform the winner by phone and the winners names will then be displayed in the entrance hall.

If you would like to join, please complete the form below and return, with your payment, to the PTFA box in reception. Also this year we are offering the option to pay by Standing Order, please complete the form below (and return to PTFA box) the form overleaf and return this to your bank.

Don't forget you can buy more than one number to increase your chances but please make this clear on the form and include the appropriate amount of money. Don't forget Neighbours/Relatives can join too! Many thanks for participating in this way and GOOD LUCK!

YOU CAN JOIN ANY MONTH OF THE YEAR!

There are 12 draws per year

If you want to join this month, find it on the table below and that is the amount you pay for the rest of the year.
