<p><b>How this worked in practice:</b> Star of the Week, teamwork trophy, PE medals etc are used to celebrate children's achievements and efforts. These are issued in paper copy and also retained on the VLE for families to look at and share.</p> <p>This tackles an often difficult challenge where parents ask their child what took place during their day at school, where the child often says 'nothing' when in fact they have had all kinds of exciting and engaging learning experiences. Through photo and film prompts, the quality of the dialogue between parents and children is better supported, particularly when parents are able to check the photos and films before they pick their child up from school each day!</p>	
<p><b>By the end of this sequence of work children had developed skills in:</b>  <b>Learning:</b> Reviewing learning that has taken place &gt; Speaking &amp; Listening</p>	
<p><b>Next Steps:</b> To enable and encourage parents to record specific learning achievements with their child through using this same skill-set within the child's ePortfolio.</p>
